Discovering Plants and Animals,

Let's Sort with 'f'

Cut out the pictures and sort them into the correct boxes by words that start with 'f' and words that don't start with 'f'.

The sorting area consists of two large rectangular boxes. The left box has a banner on its top-left corner with a thumbs-up icon and the letter 'f'. The right box has a banner on its top-right corner with a thumbs-down icon and the letter 'f'. In the center, two children, a boy with glasses and a girl with a bow, are peeking over a rectangular cutout. Below the cutout is a picture of a farm with a silo and a barn.
